

BARC in BRIEF

Issue 005
January 2018

FOR YOUR INFORMATION BY: VE3COJ

Burlington Amateur Radio Club - Since 1972

Welcome to BARC in BRIEF. This monthly notice is to keep you informed of events and information about your club and its activities. I wish all of our BARC members and their families a Very Merry Christmas and a Joyous New Year.

Congratulations Ken Owen and our newly graduated Amateur Radio Operators,. We welcome them to the club. Let's all make them welcome and offer any "Elmering" when they are looking for advise in the hobby.

Stephen Shein with Honours VA3CQB
David Gallois with Honours VA3DGA
Daniel Thomas with Honours VA3LDE
Bill Binewych VE3XOX

If you have information of interest, about an amateur radio activity, email it to the [President](#) . We are looking forward to an exciting set of programs in the New Year.

Tom. VA3TM

Hackspace

Tuesday evenings at 7pm join Jason VA3VNA for an evening of interests, construction projects and ideas. Projects this past year included antennas, antenna analyzer, DMR information, and hands on. Got questions? This is the place to find answers. Got ideas for a project? Bring them to the meetings. [Check out some photos.](#)

Website

The [barc](#) website is currently up to date as of December 23 rd. Noel Eaton is featured in "About Us". A Photo Gallery has been added and will be updated as necessary. The gallery is in the construction stage at this time. Photos of club events are most welcome. Also, don't forget to check out the items for sale. If you have something for sale, send Jeff ve3coj a description for the list.

February Flea Market

Anyone willing to organize the February event is asked to contact Tom Montgomery. Jeff, VE3COJ, wrote a manual on how to prepare for the event. Jeff or Tom can forward the Manual upon request. This is a great opportunity to help your club that works hard for you to balance the budget. Letting club members know you will lead the event, you will find there is lots of experienced help to make the job easily done.

Membership

Membership: 84. .

Makers Group: January 16/17 to join Hackspace at the East Plains United Church

There have been a couple of visiting Hams showing up on our Repeater and 146.52 SX. Be sure to monitor to make them welcome to the Burlington Area.. If you have any friends that are interested in joining BARC for 2018, a registration form can be obtained on the website at BARC Membership Form . Send it to the Address on the Form.
