

BARC in BRIEF

Issue 003
November 2017

FOR YOUR INFORMATION BY: VE3COJ

Burlington Amateur Radio Club - Since 1972

Welcome

Welcome to BARC in BRIEF. This monthly notice is to keep you informed of events and information about your club and its activities. If you have information of interest, about an amateur radio activity, email it to the [President](#) for possible publication.

Website

The [barc](#) website is currently up to date. A Photo Gallery has been added and will be updated as necessary. The gallery is in the construction stage at this time. Photos of club events are most welcome.

Recycle Table

We ALL have radio/electronic "stuff" that we want to get rid of! Here's an opportunity do do just that. There will be a table at each General Meeting to move our "stuff" to someone else for FREE.

If you need to sell it, then put a price on it with your callsign.

Hackspace

Tuesday evenings at 7pm join Jason VA3VNA for an evening of interests, construction projects and ideas. Projects include antennas, antenna analyzer, DMR information, and hands on. Got questions? This is the place to find answers. [Check out some photos.](#)

General Meeting

The BARC General meeting is November 9th , and will be at East Plains United Church 375 Plains Rd E, Burlington, ON. The Meeting starts at 7pm. Please use the East side of the building for parking.

Program for November 9

Hugh, VE3AYR will give us a presentation on VE100VIMY

This was the Commemorative Amateur Radio Special Event held at Vimy Ridge in April of this year. Hugh participated in the event and has an interesting "first person" account of the activities!

Contesting

Hugh, VE3AYR, Rod VE3ISO and Sean VE3XYY are 3 of our members who have a real interest in contesting, and they would like to share their enjoyment of the activity with you. Feel free to contact them and have an fun
